

dear members of the FCC
it is a privilege for an "owner" of our PUBLIC
Television and Radio stations to operate them.
These communication systems are NOT INTENDED
for the owners personal use to abuse listeners with
their own NARROW ONE SIDED political view, nor to
contaminate and pollute through deception to form
another's view. And especially to influence votes for
this election.
This is an illegal activity that YOU the FCC
responsibly should not condone nor allow for one
second.

As you know, Sinclair Broadcasting's decision to
enforce airing an anti-Kerry documentary on their
stations, just days before the election, is a clear
example of the dangers of media consolidation.
this ACTIVITY is IRRESPONSIBLE use of the PUBLIC
airwaves and telecommunication privileges licensed
to the Sinclair Broadcasting.

Such action on their part should call for IMMEDIATE
REVOCATION by the FCC of all Sinclair Broadcasting
licenses as breach of their licensing privilege.
Sinclair uses the public airwaves free of charge, and
is obligated by law to serve the public interest.

Sinclair's actions show why we need to strengthen
media ownership rules, not weaken them.
They show why the license renewal process needs to
involve more than a returned postcard.
Thank you.
